Dodge City Races

The 1916 300-mile international Motorcycle Race at Dodge City is to be made a feature of the Mutual Weekly film service if present plans do not miscarry. Arrangements have been made with the Mutual company to have a camera man present at the race. The films are to be sent all over the Mutual circuit and their presentation will be of great advertising benefit to Dodge City and the 1916 race.

It is the plan of the promoters of the scheme to have the camera man take a few shots at the city itself, and also at some of the surrounding points of interest.

With her "Boot Hill" where were buried the dead cow boys who got "sassy" with the town marshal; with her "Horse Thief Canyon," where in early days the outlaws and bandits took refuge from the arm of the law; with her "Fort Dodge" where were stationed the regulars who helped civilization to gain a foothold in those troublesome times, and where now is located one of the finest state soldiers' homes in the country, and with the many other points of interest made historic by the scenes enacted in the former cow boy capital, the films taken on July 4th will undeniably prove a popular hit with the movie fans all over the country.

The wheat will be ready to harvest in a short time.

Fuhr will loan you money on your farm at 8 per cent and have your money for you as soon as abstract of title is in hand. You will not have to wait.

Some very desirable residences in the city, cheaper than you can buy the lots and build. If you prefer the lots I have them.

A New City Tank

Work on a new city water tank was commenced Monday. It will be at the same old location, south of the fire department house, and will be of reinforced concrete. We are glad to note this improvement, as the old one truly was an "eye sore."

Considerable complaint has been made recently regarding automobiles running without lights, and exceeding the speed limit. There is a state law covering both offenses and if an example were made of one or two violators, the others would no doubt profit thereby.

There will be services at the Artesian school house next Sunday afternoon at 3 o'clock. Dr. W. H. Lytle, of the Presbyterian church will have charge of the service. The Presbyterian choir will also be in attendance. A cordial invitation is extended to all to attend.

Sunday School Picnic

Sunny Dell Sunday school will hold a picnic at the Kinsinger home, one-half mile north of the school house, Wednesday, June 28th. Basket dinner and amusements. An invitation is extended to all.
